## Gemelos 2 Description

Also near to the apartments are enough bars, restaurants and shops to satisfy all appetites and the well-known Benidorm market is just a short walk. With the old town just a ten-minute stroll away you'll know what we mean by good location.

The Gemelos 2 apartments are one bedroom, sleeping up to four people. All are simply, yet comfortably furnished - a sofa bed is provided for extra guests - and have a terrace and complete bathroom.

Families staying at the Gemelos will be happy with the level of equipment provided, there's a fridge/freezer, 4 hob burners and an oven ...and Mum and the kids can watch the hired TV while Dad makes a slap-up breakfast with the help of the kettle, toaster and microwave!

Clients have their towels and linen changed once a week. For safety, every apartment has a smoke detector and fire alarm.

In the grounds there's a good sized swimming pool and a separate swimming pool for the kids (open from June 15th to September 15th) with plenty of lounging space around them. Active ones can work up a thirst for their favourite tippie on the tennis courts and parking.

And finally, at the Gemelos 2, the world of Benidorm truly is your oyster. With some of Spain's best entertainment, ranging from top class shows and spectaculars through to wonderful cabarets, wild party nights in the discos, and concerts by world famous artists, there's something happening to suit all tastes as the sun goes down.

Whole days can be spent exploring the attractions of the nearby theme parks and a hire car will put the whole of the beautiful Costa Blanca with all its attractions within easy reach.

The Gemelos 2 apartments are managed by the Fincas Arena group which has over 30 years experience of accommodating visitors to the area. Their success is based on providing their customers with just the right amount of facilities and service required to make an extremely pleasant holiday at an economical price.

Make the Gemelos 2 Apartments your holiday base for a perfect stay near the clear blue Mediterranean Sea!
